

ICCP9

The IX International Conference on Computational Physics, 7-11 January 2015, Singapore

Best Poster Award

The Organizing Committee of the Ninth International Conference on Computational Physics
presents

Organized by:

Department of Physics
Faculty of Science

Department of Mathematics
Faculty of Science

Institute of Advanced Studies

Joohee Lee

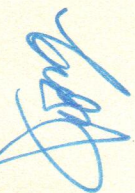

for the poster contribution

High-Throughput Calculation for Doped-ZnO

Joohee Lee, Kanghoon Yim, Seungwu Han

Seoul National University

This prize is sponsored by:

Yuan Ping FENG
Chair of Organizing Committee

Weizhu BAO
Co-Chair of Organizing Committee

Shaffique ADAM
Chair of Poster Session & Award Committee
